

LED Electric Fireplaces

AFLAMO

2018

MAJESTIC

- Wall mounter / Recessed
- Energy saving LED technology
- 3 flame colors: Orange, Blue, Orange&Blue
- Logset, Crystals, Pebbles included
- Automatic timer
- Works with or without heat
- Multifunction remote control

Dimensions:

model	width [cm]	height [cm]	depth [cm]
MAJESTIC 50"	128	54	14
MAJESTIC 60"	152		
MAJESTIC 65"	165		
MAJESTIC 72"	183		
MAJESTIC 100"	254		

NATHAN

- Modern wall mounted electric fireplace
- Toughened Glass Front
- Energy saving LED technology
- 7 flame effects: Orange, Green, Blue, Orange/Green, Orange/Blue, Orange/Green/Blue, Cycle
- 3 side light colors: Blue, Red, Cycle
- Multi-function remote control
- Works with or without heat
- Digital thermostat automatically regulates room temperature range from 17°C - 27°C
- Timer function with automatic shut off from 30 min. up to 6 hrs

Dimensions:

WxHxD [cm]: 127 x 60,9 x 16

AFLAMO

MARIO

- Modern wall mounted electric fireplace
- Toughened Glass Front
- Energy saving LED technology
- 7 flame effects: Orange, Green, Blue, Orange/Green, Orange/Blue, Orange/Green/Blue, Cycle
- 3 side light colors: Blue, Red, Cycle
- Multi-function remote control
- Works with or without heat
- Digital thermostat automatically regulates room temperature range from 17°C - 27°C
- Timer function with automatic shut off from 30 min. up to 6 hrs

- 3 ember bed: acrylic crystals, pebbles, log set

Dimensions:

WxHxD [cm]: 107 x 44 x 12,8

AFLAMO

SODER

- Modern wall mounted electric fireplace
- Realistic LED flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- Brightness control
- Works with or without heat, flame independent of heating
- Low / High Heating 900/1800 W
- Toughened Glass Curve Front

Dimensions:

WxHxD [cm]: 100 x 50 x 16

AFLAMO

ETELA

- Modern wall mounted electric fireplace
- Realistic LED flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- Brightness control
- Works with or without heat, flame independent of heating
- Low / High Heating 750/1550 W
- Toughened Glass Front

Dimensions:

WxHxD [cm]: 88 x 56 x 15

AFLAMO

VIGO White CLASSIC

- Classic wall mantel in white finish with insert Aflamo LED 60
- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 90 x 90 x 30

AFLAMO

VIGO White MODERN

- Modern wall mantel in white finish with insert Aflamo LED 60
- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 90 x 90 x 30

AFLAMO

VIGO Walnut CLASSIC

- Classic wall mantel in walnut finish with insert Aflamo LED 60
- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 90 x 90 x 30

AFLAMO

VIGO Walnut MODERN

- Modern wall mantel in walnut finish with insert Aflamo LED 60
- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 90 x 90 x 30

AFLAMO

VIGO Wenge CLASSIC

- Classic wall mantel in wenge finish with insert Aflamo LED 60
- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 90 x 90 x 30

AFLAMO

VIGO Wenge MODERN

- Modern wall mantel in wenge finish with insert Aflamo LED 60
- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 90 x 90 x 30

AFLAMO

OMIS White

- Modern wall mantel in white finish with insert Aflamo LED 60
- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 84 x 80 x 25

AFLAMO

DRACO

- Wall mantel in cherry finish with insert Aflamo LED 60
- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 103 x 104,5 x 33,5

AFLAMO

VOLAN

- Wall mantel in cherry finish with insert Aflamo LED 60
- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 117,5 x 100 x 34,5

AFLAMO

AFLAMO LED 60

- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 60 x 51 x 21,5

AFLAMO

AFLAMO LED 70

- Insert with realistic flame effect and ember bed
- Energy saving LED technology
- Multi-function remote control
- 8 brightness settings
- Works with or without heat, flame independent of heating
- Digital thermostat automatically regulates room temperature
- Heater power 2000 W
- On screen function indicator
- Timer function from 30 min up to 9hrs

Dimensions:

WxHxD [cm]: 67 x 45 x 21,5
